

that the President has not even weighed in on this bill.

This has been a very good debate. It has exposed this amendment for what it is. It is a thinly veiled attempt to sabotage a bill that is demonstrating a lot of courage on the Republican side of the aisle for true reform, matching the efforts of the Democrats have been leading for years. Let us defeat this amendment and pass this bill tonight.

The CHAIRMAN pro tempore. The question is on the amendment offered by the gentleman from New York (Mr. REYNOLDS).

The question was taken; and the Chairman pro tempore announced that the noes appeared to have it.

AMENDMENT NO. 25 OFFERED BY MR. KINGSTON

Mr. KINGSTON. Mr. Chairman, I offer an amendment as the designee of the majority leader.

The CHAIRMAN pro tempore. The Clerk will designate the amendment.

The text of the amendment is as follows:

Amendment No. 25 offered by Mr. KINGSTON:

Amend section 301(20) of the Federal Election Campaign Act of 1971, as proposed to be added by section 101(a) of the bill, to read as follows:

“(20) FEDERAL ELECTION ACTIVITY.—

“(A) IN GENERAL.—The term ‘Federal election activity’ means—

“(i) voter registration activity during the period that begins on the date that is 120 days before the date a regularly scheduled Federal election is held and ends on the date of the election;

“(ii) voter identification, get-out-the-vote activity, or generic campaign activity conducted in connection with an election in which a candidate for Federal office appears on the ballot (regardless of whether a candidate for State or local office also appears on the ballot);

“(iii) a public communication that refers to a clearly identified candidate for Federal office (regardless of whether a candidate for State or local office is also mentioned or identified) and that promotes or supports a candidate for that office, or attacks or opposes a candidate for that office (regardless of whether the communication expressly advocates a vote for or against a candidate); or

“(iv) services provided during any month by an employee of a State, district, or local committee of a political party who spends more than 25 percent of that individual’s compensated time during that month on activities in connection with a Federal election.

“(B) EXCLUDED ACTIVITY.—The term ‘Federal election activity’ does not include an amount expended or disbursed by a State, district, or local committee of a political party for—

“(i) a public communication that refers solely to a clearly identified candidate for State or local office, if the communication is not a Federal election activity described in subparagraph (A)(i) or (ii);

“(ii) a contribution to a candidate for State or local office, provided the contribution is not designated to pay for a Federal election activity described in subparagraph (A);

“(iii) the costs of a State, district, or local political convention; and

“(iv) the costs of grassroots campaign materials, including buttons, bumper stickers, and yard signs, that name or depict only a candidate for State or local office.

In section 402(b), strike “At any time after such effective date, the committee may spend such funds for activities which are solely to defray the costs of the construction or purchase of any office building or facility.” and insert the following: “At no time after such effective date may the committee spend any such funds for activities to defray the costs of the construction or purchase of any office building or facility.”
